The purpose of these lessons is to encourage and develop children to swim in a fun and safe environment. Classes will be working to the STA awards as described in the parent's handbook.

All awards will be available for a small fee from Tiffany once your swimmer has passed the award. There are a host of opportunities available to swimmers as they progress through the stages.

Parental Supervision/Class Start and Finish

in the spectator area or a suitable place where they can see the Pool at all times to maintain supervision of the child, particularly where a child is in a one-to-one lesson with a teacher in the swimming pool and the teacher is 'lone working'.

Under no circumstances will children be allowed to remain in the pool after the class.

Children spectating must always be kept under control & always remain the responsibility of parents/guardians.

Students should be present 5 minutes prior to the start of their swimming class.

As a courtesy to all clients, lessons end at their scheduled time, even for late arrivals.

Missed class time cannot be made up.

Please do not approach or distract teachers during lessons.

If you have any questions, please email Tiffany tiff@tiffanys-swim.school and she will be pleased to help you. This gives swimmers maximum benefits without distraction.

Behaviour and Personal Conduct must always be of a high standard and reflect favourably on the sport, Durham International School and Tiffany's Swim School. Language in public or relevant group situations must always be appropriate and socially acceptable.

Personal Appearance shall be appropriate to the circumstances. All types of jewellery and watches are to be removed before entering the pool.

Boys should wear: Tiffany's Swim School Swim Cap, Jammers, Goggles (optional).

Girls should wear: Tiffany's Swim School Swim Cap, Swim Costume, Goggles (optional).

Babies should wear swim nappies (not provided, but we do sell them if you forget to bring them to the lesson).

Attendance at all activities is expected. Punctuality on all occasions is essential, as lessons will not run over. All swim lessons will start and finish at the times you have been allocated.

Medication: It is important that information on all medication being currently taken should be reported to the Teacher. Allergies to any medication must be reported to the Teacher.

Sanctions: The teacher shall deal with breaches of the code of conduct in the first instance. If no solution is found, they shall report the incident to the Directors of Wroe Elite Swim Training (WEST) and the head teacher at Durham International School, if appropriate, who shall take such further action as is deemed necessary.

Session Requirements are very specific to each group and your level of development. Please see the recommended sessions per week section.

Competitions: We **do not** advocate swimmers to compete in any form of competition whilst in our learn to swim programme. The focus at this stage should not be on speed and winning, but on water skills. Please ensure the focus is on having **FUN** and not winning or other superficial outcomes.

Wellness Policy

You must leave your swimmer at home if: -

They exhibit signs of pinkeye: Contagious eye infections, like pink eye, are a definite reason to stay home. Pink eye is a contagious infection and can make the environment unsafe for other swimmers.

They have Diarrhoea or other GI problems. Not only can frequent bathroom trips disrupt the lesson, but diarrhoea can easily spread a whole host of illnesses.

They have a fever of 38C or 100.4 F or higher: A fever is our body's line of defence in fighting off infection. Your child may return after 48 hours of being fever free without the aid of fever reducer.

COVID-19

If your swimmer or household member suspects exposure to COVID19 or tests positive for COVID19, **DO NOT** come to class. Please report your absence as soon as possible so that we can get your account marked and eligible for a make-up class.

Parental Involvement Policy for Seal Pup 1 Lessons

At Tiffany's Swim School, we prioritise the smooth transition of children into full swimming lessons. The Parental Involvement Policy for Seal Pup 1 lessons aims to guide parents through a gradual process of reducing their direct involvement in their child's swim lesson, fostering the child's independence, confidence, and trust in the instructor and the aquatic environment, whilst ensuring parents remain actively engaged in their child's aquatic journey.

Procedure:

1. Initial Parental Involvement:

- During 'initial' Seal Pup 1 lessons, parents are allowed to enter the water if they wish to do so.
- While parental presence in the water is permitted, we highly encourage full participation in the lesson and adherence to the teacher's instructions.

2. Week One:

- Parents are encouraged to stay in the pool for the entire duration of the lesson.
- Actively engage with your child and follow the instructions provided by the teacher.

Updated 11/04/24. Contact us: +254(0)769 555 444 – admin@west.co.ke

3. Subsequent Weeks:

- Over the following lessons, gradually reduce your direct involvement.
- Begin by taking small steps to remove yourself from the immediate vicinity of the lesson activities while still being present poolside.
- Observe your child's response and comfort level with the teacher, the lesson structure, and the pool environment.

4. Transition to Full Independence:

- By week / lesson 3 or 4, aim to be completely removed from the lesson area.
- Trust in the instructor's ability to guide your child through the lesson independently.
- Remain available in the spectator area or poolside (if necessary) for support and encouragement if needed, but kindly avoid direct intervention unless necessary.

Rationale:

- Gradually reducing parental involvement allows children to develop confidence and independence in the water.
- Building trust between the child, teacher, and aquatic environment is essential for a successful transition to full swimming lessons.
- Parental presence in the spectator area or (if necessary) poolside provides reassurance while allowing children to focus on the lesson and bond with their teacher.

Missed Classes/Make-Up Policy – TERMLY LESSON

At Tiffany's Swim School, we believe that children are most successful in a consistent learning environment. Overuse of rescheduling can negatively affect classes and your child's progress.

We do offer you the ability to schedule absences and book make-ups through the APP and Parent Portal, but kindly please honour the spirit of this privilege and respect that we prefer you use it only for serious illness (e.g., broken bones) or 'one off' advanced notifications.

Registration for a make-up can only be requested through the APP and PARENT PORTAL.

Absences cannot be credited towards future tuition as we plan and provide a place for your child in a specific class; therefore, missed classes cannot be deducted from tuition.

Important Note:

- **THE ABILITY TO BOOK A MAKE-UP LESSON IS NOT A GUARANTEE.**
- **MAKE-UPS CAN ONLY BE USED IF THERE IS A VACANT SPOT IN THE SYSTEM, RESULTING FROM ANOTHER CHILDS' CANCELLATION.**

Full Absence / Make-up Policy

1. Make-up lessons can only be scheduled in the same 'session' as the booking of the original lesson (Eg: September term lessons can only be made up in the September term and will not carry over to the January term or other intensive lessons).
2. Make-ups are non-transferable, non-refundable and expire at the end of each term's session, they are not permitted to be rolled over to next term. unless the broken bone or specific serious illness, including COVID-19, goes into the next terms lessons.
3. You can only book a make-up lesson of the same level as the original booking. (EG: if you are in a Seal Pup 1 class you will not be allowed to make-up in a Seal Pup 2 class and so on).
4. The ability to book a make-up is not a guarantee.
5. Make-up availability is on a first come first serve basis.
6. Make-ups can only be booked if there is a vacant spot in the system resulting from another child's cancellation.
7. We can only offer make-up lessons if spaces are available. If no space are available, then unfortunately, we can not offer any more rescheduling or any other make-up.
8. It is the parents' responsibility to keep checking the portal / APP for a vacant spot in a lesson.
9. You cannot cancel a make-up lesson - so book carefully.
10. You cannot make-up a make-up lesson - so book carefully.
11. You can only schedule an absence 1 day before your normal scheduled lesson and not on the day of the lesson itself - unless for a very serious sickness (contact us on director@west.co.ke in this circumstance).
12. You may book a make-up lesson up to 1 minute before the make-up lesson begins. You MUST be booked onto the class to join that lesson.
13. We do not guarantee the same teacher, time, or student ratio as your 'normal lesson'.
14. We have a no refund policy, and we will not offer credits.
15. Make-ups are a 'given privilege' and not your right.
16. Make-up will only be authorized to fully paid-up accounts.

Wroe Elite Swim Training Limited have the right to revoke the ability to schedule make-up lessons at any time, if we feel that make-ups are being misused.

You can schedule make-up lessons, but please do not abuse this 'privilege' by rescheduling lessons every single week.

If you need to swap lessons permanently to a more convenient time, please contact John (director@west.co.ke) 0726999895.

Missed Classes/Make-Up Policy - INTENSIVE HOLIDAY LESSONS

Due to the nature of the intensive lessons, it is **not** possible for you to request an absence or for us to provide a make-up lesson for missed lessons during Holiday Intensives.

Holiday Intensives are highly discounted and there is no other slot for you to complete a makeup.

Tiffany's swim school still have expenses on these days and a last-minute cancellation means we may not be able to 'fill your space' with another customer.

Late notification absences **cannot** be credited towards future tuition as we plan and provide a place for your child in these intensive lessons.

If it is a **serious sickness**, kindly contact John, with as much notice as possible, (0726999895 / director@west.co.ke) who will organise a credit on your account for future use.

NO REFUNDS WILL BE PROCESSED.

Missed Classes/Make-Up Policy – STARFISH 1 & 2 LESSONS

At Tiffany's Swim School we are fully aware of the special individual needs and requirements of children this age.

We understand that various 'things can happen' at any time or day for these children. For example, children's nap times can change and that the mood on the day can influence your child's attendance. Sickness can also just 'happen' at any time! We also know that if you schedule an absence, then a makeup class may not be available.

Kindly Note: All these factors were considered whilst pricing the STARFISH lessons. We heavily discount STARFISH lessons (50% - From 22,968kes to 11,484kes) to compensate for any missed lessons that your child may have during the term.

Missed Classes/Make-Up Policy – ADULT LESSONS

At Tiffany's Swim School, we recognize and appreciate the unique circumstances that adults may encounter during our lessons.

We acknowledge that unforeseen events such as injuries, illnesses, last-minute business trips, or vacations can disrupt attendance. Unfortunately, due to our limited number of lessons, makeups for missed sessions are not feasible.

Please be aware that the pricing of our adult lessons has been thoughtfully crafted, taking into consideration these potential disruptions. We offer a substantial discount, reducing the cost from

Updated 11/04/24. Contact us: +254(0)769 555 444 – admin@west.co.ke

22,968kes to 13,920kes, to account for any missed lessons that may occur throughout the term.

By enrolling in our adult lessons, you acknowledge and agree that the discounted fee already compensates for missed lessons. Refunds will not be provided, and there is no option for payment transfer between terms, except in cases of serious illness, where considerations may be made.

Future Drop and Lesson Reservation

If you intend to leave the program towards the end of the current term, you have the option to request a “Future Drop” on booking. Just get in touch and we can organise this for you. There are two alternatives available to you:

Option 1: Future Drop from the Term

You can choose to “Future Drop” from the current term. Under this option, a prorated fee will be charged for the lessons you will miss. It's important to note that selecting this option does not guarantee you the same lesson time and day in the subsequent term.

Option 2: Secure Your Preferred Day and Time for the Next Term

If you wish to secure your preferred lesson day and time for the next term, you can choose to book the entire term in advance. By doing so, you ensure that your preferred schedule is reserved for you in the upcoming term. For lessons you anticipate missing during the current term, you have the flexibility to schedule absences. Additionally, you can make up these missed lessons within the current term.

We encourage you to carefully consider the two options based on your preferences and circumstances. If you have any questions or require further clarification, please don't hesitate to reach out to our customer support. Your satisfaction and seamless transition are our priorities.

Pool Closure & Class Cancellation Policy

Tiffany’s Swim School reserve the right to cancel swim lessons, at any time, for any reason.

Your child will be offered Make-up lessons should this very unusual situation arise.

NO REFUNDS WILL BE PROCESSED.

Teacher Schedules/Absences

Our clients will eventually become fond of instructors. So have we, we love our instructors!

We will continue to make decisions regarding where instructors are placed based in the effort to provide our clients with the best swimming experience possible. We understand that different students respond to different teaching personalities.

Updated 11/04/24. Contact us: +254(0)769 555 444 – admin@west.co.ke

We will always try to respond to these needs.

We will never guarantee a particular instructor and always reserve the right to change instructors if other considerations require it.

We encourage parents to use different instructors.

Our goal is for every child to be able to swim regardless of who they are swimming with, what the circumstances are, and where they are swimming.

Photos Photographic Policy

Tiffany's Swim School has a strict no photography/filming policy. I understand however that Photos and video may be taken by Tiffany's Swim School staff only and used for internal marketing to our clients (e-newsletters, facility flyers and posters, Facebook, Website, etc.)

I understand that names are never printed with the photos of children, unless with prior permission.

Privacy Policy

Tiffany's Swim School respects your privacy & takes protection seriously. We will not sell, distribute or lease your personal information to third parties, unless we have your consent or are required by law to do so.

Pool Closure & Class Cancellation Policy

Tiffany's Swim School reserve the right to cancel swim lessons at any time for any reason. Your swimmer will be offered Make-up lessons should this very unusual situation arise. In the event of Pool Closure, credits will be applied to your account for outstanding lessons due. NO REFUNDS WILL BE PROCESSED.

Bad Weather and Thunder Policy

We do our best to make weather-related decisions in a timely manner, however it is not always possible. Therefore, we recommend all families check emails (look in SPAM folders), text messages or APP notifications. We will use all those communication methods to relay closing information.

We will swim in the rain.

Swimming is not permitted within an hour either side of a thunderstorm.

Safety guidelines for outdoor pools dictate that upon hearing thunder, or seeing lightning, the pool is to be vacated immediately.

Make-ups and refunds may not be offered in these unusual circumstances as we still have expenses on these days.

ABSENCES AND MAKEUPS

Kindly re-read our Missed Classes/Make-Up Policy.

How do I schedule an absence?

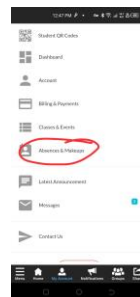

*Note: **You can only schedule an absence yourself 24hrs before the lesson.** After this point, email director@west.co.ke to explain why you will not make the lesson. (In this case, once we have authorised the makeup go to STEP 2).*

STEP 1 – Submit an absence.

On the APP go to **MY ACCOUNT** then click on the **HAMBURGER** menu (top right). On the next screen select **ABSENCES & MAKEUPS**. On the next screen select **SUBMIT AN ABSENCE**. Now select the swimmers the absence applies to (you can select more than one swimmer).

Choose the dates you are absent **From..... To....** and then type in the **reason** for your absence.

Click on **NEXT STEP** and you will see the lessons that the swimmer will be absent for.

Select the lessons that you are absent and submit.

- Then you must wait... Behind the scenes we shall receive an email notifying us of the absence. Once we have seen the email, we will go to your account and **AUTHORIZE** the absence.

STEP 2 - Schedule a Make-up Class. Once you have received an email confirming the authorized absence then...

Go to **MY ACCOUNT - HAMBURGER - ABSENCES & MAKEUPS**.

You should see the list of lessons that have been authorized for makeups - click on the **GREEN SCHEDULE MAKEUP**. You will be given a whole list of lessons that you can book. It will not allow you to book out of your current level and it will not allow you to transfer the booking term to term unless a serious injury or illness – see our Missed Classes/Make-Up Policy.

In the case of missed lessons in the final week of term, contact us and we will organise something for you.

Important to note: Make ups are not guaranteed. When booking a make-up, the system will only show you what lessons have spaces. Make-ups can only be used if there is a vacant spot in the system, resulting from another child's cancellation.
